

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 28, 1996

SUBJECT: **HB 3170 - SB 3187**

This bill, if enacted, will abolish the office of Constable in any county having a population of not less than 17,250 nor more than 17,550.

The fiscal impact from enactment of this bill is estimated to be a decrease in local government revenues from fines. There is also estimated to be a decrease in local government expenditures from fewer incarcerations and no longer paying any expenses related to the office of constable. The amount of such decreases in revenues and expenditures cannot be determined but are estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
